**PE/FE Preparation:
Getting on the Right Track
Leadership in Action
February 21, 2008**

Program Overview: The February 2008 session of the Leadership & Management Development Association will focus on Getting on the Right Track to obtaining your **Professional Engineering License**. Learn study and test taking strategies, start a study group, take ITRE's test preparation class. Has it been awhile? Try at it again with these helpful hints!!

Mr. Tom Brown, Faculty Associate, Institute for Transportation Research and Engineering (ITRE) and past Mechanical and Aerospace Engineering instructor at NCSU will be our main presenter. Mr. Brown heads up the NCDOT PE/FE Review Course and NCDOT HEC Course.

Mr. Ryan White, Senior Transportation Engineer, Project Development in PDEA at NCDOT will also share his experiences in taking the exam. Mr. White has recently become a professional engineer.
